BOW
1977
C.1

Through her doors
our youngest students pass.
Hers has always been
our Primary Class.
She shows her students
great devotion.
And treats them with
love and emotion.
We are glad
she never teeters
And we think
you're quite special Mavis Peters.
So to give you
your proper due
The 1976 - 1977 Yearbook
has been dedicated to you!

CORONA UNIFIED SCHOOL DISTRICT

300 Buena Vista Avenue • Corona, California 91720 • (714) 736-3301
Augustine Ramirez, Ed. D. - Superintendent (714) 736-3251

VICTRESS BOWER SCHOOL FOR EXCEPTIONAL CHILDREN
John Aldrian, Principal -- 1250 W. Parkridge, Norco -- (714) 736-3328

The 1976-77 school year was the year that Bower welcomed its very own, full-time speech, hearing and language specialist. It was a year for expanding the on and off-campus sheltered workshop training program. On campus, our eager workers cleaned and recycled nearly 12,000 microfilm cartridges, as part of an agreement with Dynallectron Corporation and the Naval Weapons Center. The students used the money earned to have lunch at Corona National Golf Course, to visit Knott's Berry Farm, to Christmas shop at Tyler Mall, and to hold a luau dinner-dance at the Jolly Fox Restaurant.

Through a special grant, this year's Bower graduates-to-be had the opportunity to participate in a two-month evaluation and training program at the Riverside County Association for Retarded Citizens' sheltered workshop.

Bower was happy (but also sad) to wave good-bye during the year to four students from the elementary program who were referred for trial in the program for educable mentally retarded students.

The 1976-77 Principal's Special Commendation was awarded to Mary Jeffery who recently resigned as Administrator of Peppermint Ridge. Bower School thanks her for all she has done for Peppermint Ridge and Bower School. We wish you well, Mary, as you pursue some new aspirations and look forward to your continued support for the developmentally disabled of our community.

We wish to extend a warm welcome to Jean Powers who has taken over the responsibility of Administrator for Peppermint Ridge. We are happy to have you with us, Jean!

Another first was the hardback cover for this Bower Beagle Yearbook. Our thanks to the many generous advertisers who made this yearbook possible. Please tell them you appreciate their support for Bower School, the next time you visit their businesses!

Lastly, trite as it may sound, I do want to thank all the "Bower People" who continue to support our school. I invite you to take an even more active part in directing our program to better serving the needs of our special students.

Happiness

Handwritten musical score for the song "Happiness". The score is written on five staves using a treble clef and a 4/4 time signature. The melody is simple, using mostly quarter and eighth notes. The lyrics are written below the notes.

Happiness is going to Bower Having good teachers Being a friend Happiness is
 Singing together sharing each other getting along Happiness is Working together the
 whole day Through and Happiness is going home from school Happiness is Victress Bower
 and all who make it grow and Happiness is anyone and anything at all that's
 Loved by you.

written by Susie Holmes
 and Karen Schrempf

OUR PRINCIPAL John Aldrian (Boss Beagle)

Boss Beagle dancing with Woodstock

Wedding Day May 28, 1977

Mr. and Mrs. Frederic L. Aldrian with Melinda and John

As Bower's first principal, it was felt that John Aldrian deserved a special page. John came to us two years ago from Ninth Street School in Los Angeles where he was a teacher's aide, teacher, and assistant principal. He has really worked his way up through the ranks.

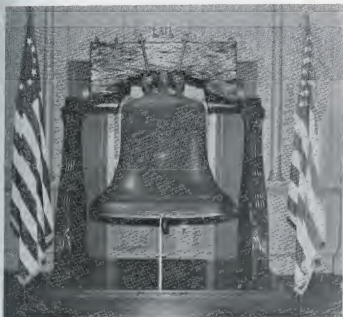

John has been instrumental in acquiring many new classroom materials for the students' use. Some of the bigger purchases include our own truck which is used to transport our students in the off-campus work experience program. Recently we just acquired a new color television, video tape recorder, and a public address system.

We feel very privileged to have our own principal and especially one as talented as John.

SUMMER SCHOOL 1976

We celebrated our Bicentennial by visiting
Knott's Berry Farm's Independence Hall

We saw a replica of the Liberty Bell

Sherri and Brian enjoying some free time on a nearby island

Gregg H. cleaning at the YMCA

Kathy L. cleaning the bathroom
of a private home

We have just completed our second year in the cooperative program with the Department of Rehabilitation, and we are pleased to announce our first success. Ron McElheney has recently been hired by the Parks & Recreation Department as a full time 40 hour a week employee. We anticipate our other two students progressing from work experience to on the job training in the forthcoming school year.

A new cooperative program was started this year between the school district and R.C.A.R.C. where we had our graduates spend two months receiving training at the sheltered workshop in Riverside. We plan to make this a regular part of our occupational training program available to our graduating students.

In addition we were fortunate to have a paying contract from Dynalectron Corporation in Norco. We removed old film from microfilm cartridges, cleaned the cartridges, and then reassembled them so Dynalectron could re-use them with new microfilm. The money earned helped finance various lunch outings, a day at Knott's Berry Farm and a Luau dinner - dance.

BOWER'S WORKSHOP

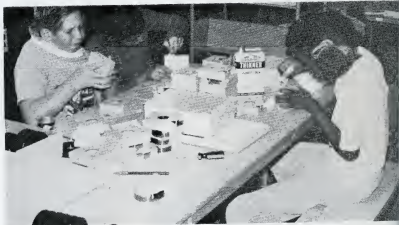

(DYNAELECTRON
CONTRACT)

We are disassembling microfilm cartridges

Removing tape from the ends
of the microfilm leaders

We are cleaning the empty cartridges . . . PU!

We remove the microfilm from the reels

Robert B. using the Pantograph to make
name tags and name plates

WORKSHOP continued...

Tony E. cleaning the interior of the cartridges

Brian and Cindy removing film from reels

Sheri M. working and meeting new friends
at the Sheltered Workshop in Riverside

Rachel M. learning a new skill
at the Riverside Workshop

Patty C. assembly work

Dennis DeLange ADAPTIVE P.E.

Teacher Aide Betty Piester working with David T.

We play Shuffle Board

Robert B. exercising with weights

OOPS!

Teddy B. learning to ride a bike

This 1976 - 77 Bower Beagle yearbook was financed by our generous benefactors whose messages appear on the following pages. We encourage you to mention that you have enjoyed this publication, when next you patronize these special friends of Bower School.

Also, we wish to extend our appreciation to Helen Stockton, Harriet Hobart, Sharon Elkins, and Robert Hills who were responsible for soliciting most of the donations that made this yearbook possible.

THANKS!
